## MONROE WADE AWARD

Rachel d'Entremont, Editor

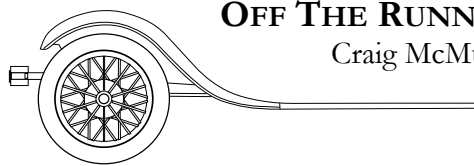

It's time to start thinking about nominations for the Monroe Wade Award. I joined the club too late to have had the pleasure of meeting Monroe Wade but have heard a lot about him in the three years since I joined. Apparently he was always ready in times of trouble to help any Model A or its person and he was dedicated to the Shade Tree A's.

It's people like Monroe Wade and those to whom the Monroe Wade Award has been presented who make it possible for people like me to have and enjoy a Model A.

This annual award is presented every year at the STA Christmas dinner as the club's way of remembering Monroe. Details are on the application form in this newsletter. The deadline for nominees is November 14 but why not turn it in early, before you forget? The previous winners are:

2003: Jim McPherson  
 2004: Richard Dunevent  
 2005: Ed Meloan  
 2006: Craig McMullin  
 2007: Dan Perla  
 2008: Sheila McPherson  
 2009: Bob Jones  
 2010: Pat and Tom Roberts

## OFF THE RUNNING BOARD

Craig McMullin, President

We are approaching that time of year where we have two very important tasks before us as a club. The first is the nomination of potential club officers for 2012. Eric Shogren has agreed to head the Nomination Committee at my request and I appreciate his enthusiasm. Thanks, Eric! This task should not be taken lightly as your elected officers shape the club for the future and hopefully make it enjoyable for all its members and continue the club's growth and prosperity in good times and bad. Give this opportunity some serious thought as some key officer positions will be vacated by the end of the year. If interested, please contact Eric for additional information. He is already working very hard to fill this year's STA officer nomination ballot form.

The second task, involves selecting a recipient from a list of candidates for the Monroe Wade Award. This year, Sheila McPherson, Tom and Pat Roberts, and Betty Wade have the daunting task of reviewing nominations and making the final selection on this year's recipient. It is quite an honor to be selected and in many cases it has been known to bring tears of joy to those recipients who knew Monroe and who also take deep pride in being a member of the Shade Tree A's.

Don't miss an opportunity to make a significant difference in this organization; these opportunities don't present themselves very often. We are all individuals with unique personalities and attributes and everyone has something to offer. Let's take advantage of ALL the resources available to us and make the most of it.

Best Regards,  
Craig

You missed a great dinner meeting. The meeting was adjourned with everyone having a good time.

## PHOTOS & MORE

Visit the club's website to find all sorts of stuff.. You can access STA newsletters from January 2006 to the current issue. There are links to other club's newsletters, links to parts catalogs, lists of available sewing patterns, lists and photos of member's cars, a place to sell your Model A stuff, and photos from most of the club events from 2006 to the present. <http://www.ShadeTreeAs.org>

The graphics on pages 2 & 3 were created by Brian d'Entremont of the STA Newsletter Tech Support Department.

## OFFICER ELECTIONS

Eric Shogren is looking for people interested in serving on the STA Board of Directors. If you have suggestions, please contact him. Elections are in December.

## TOURS AND EVENTS

As many of you know, the position of Tour Director is currently vacant and will not be filled until the December Board of Directors elections. The Board is seeking ideas for places to go and things to do. They don't need to be major attractions; several small attractions could be grouped together for one tour. We'd like to get a list of places within easy driving distance. If you have ideas for interesting places to visit, let one of the Board members know.

Also needed are suggestions for restaurants and other venues for future club dinners and parties. We're sure that there are plenty of great places out there but we need help finding them.

## STA MEMBER RUNNING FOR MAFCA BOARD OF DIRECTORS

STA member and newsletter fashion writer, Anne Neely-Beck is running for a seat on the Board of the Model A Ford Club of America. You should have received a ballot in August along with your renewal notice. If you plan to vote in this election, do not wait until you send in your yearly dues or your vote may not be counted.

The deadline for voting is October 1st.

## ANNUAL STEAK COOKOUT

Mark your Calendar for Saturday, October 15th, the date for the annual Shade Tree A's Steak Cookout. We will return to the pavilion below lake Thurmond for those delicious Thomson Packing Co. steaks with all the trimmings. Bring a covered dish or a dessert; the steaks are just \$10.00 each. Reserve yours at the next meeting, or call Sheila McPherson at 706-399-6705.

## FORD NIGHT AT THE SNO CAP

Eleven Model A's and at least 16 STA members met for dinner at the Sno-Cap Drive-In in North Augusta on Saturday, August 20. It had rained right before we arrived and although it was a bit humid, the temperature had dropped enough to be pleasant outdoors. Before the waitresses had cleared the crumbs away, folks from a local Ford Mustang club began to roll in. The two groups chatted and checked out one another's cars for awhile before the STA crowd drove across town to Bruster's where a few enjoyed ice cream.

Dan wasn't the only one who could not resist the temptation ... he's just the one who got caught!

Curtis, suffering from an identity crisis, showed up driving his Model A wearing a Mustang shirt!

## YOU ARE INVITED..... To SOMETHING ELSE...

join Tom Roberts, Eric Shogren and Jim McPherson in displaying your Model A on **International Model A Day**, Saturday September 10th. We will eat breakfast at the Sunrise Grill on Washington Road at 8 o'clock, then tour to Warren Baptist Church for Doctor's Hospital's "Gentlemen Start Your Engines" health and car expo. Get a free extensive health screening (a \$400 value) while you display your Model A.

## AMERICAN AUSTIN

Jim McPherson

Gerald Melchior was in Dayton, Ohio at the end of July showing his 1931 American Austin at the 48th annual American Austin-Bantam National Meet. The Austin's and Bantam's are billed as "America's Pioneer Economy Cars". Weighing just over 1,000 pounds, Gerald carefully packed his Austin in his suitcase for the trip.

## -TECH TIP -

*Shock Absorbers*

Jim McPherson

During the Model A era, the fluid of choice to refill your shock absorber was glycerin. While still available today in drug stores, the problem with its use, then and now, is that glycerin absorbs water from the air. A modern shock absorber fluid is available from Model A parts suppliers, or you may use hydraulic jack fluid. If your shock(s) are leaking past the rubber seal around the shaft that holds the shock arm, you may want to add STP to increase the viscosity of the fluid and stop the leak. -

Another of Abbie Prince's cars joined us at the Sno Cap: a 1925 Ford with parts from other cars filling in where needed.

## VINTAGE VISION

Anne Neely-Beck

McCall's September 1930

McCall's always showed the latest styles from Paris so the ladies at the time had the patterns available to them. I doubt the average lady of the time could have afforded to make a coat like this as it was the Depression and times were tough, but I guess if they could afford the magazine at 10 cents per copy, they could dream.

Pattern # 6119

Typical of the new coats for practical wear is one cut on princess lines with double-breasted front closing and a narrow belt designed to mark the waistline.

Pattern # 6247

A flattering type coat has one of the new up-standing collars to frame the face, sleeves that widen toward the elbow and circular flounce to add fullness.
