

The STA/Model A Toolbox

Tech
Corner

As we start a New Year, here's a suggested STA Toolkit and Touring Items Check List:

GENERAL:

- Flashlight and maps and/or GPS
- Sunglasses, driving gloves, and hat of choice
- Cell phone and/or CB Radio
- Insurance Card or documentation
- TAG registration
- Club roster, spare change, credit card, copy of owner manual
- Pen, pencil, note pad
- First Aid Kit with band-aids, alcohol wipes, cue tip swabs, other typical first aid (and Distributor point cleaning items) such as personal medication and health card.
- Umbrella, car blanket, and folding stool or folding chair
- Extra quart of oil and bottled water, for both driver & car
- Add oil, water, and air in all the right places and amounts
- Fire extinguisher

TOOLS & SPARE PARTS:

- Model A crank with lung wrench in handle
- Jack & handle, tire irons, patch kit, tire pump, and wheel block.
- Tool bag to leave in your car
- Extra lug nuts
- Cotter pins (assorted sizes), safety pins, and paper clips
- Electrical and/or duct tape
- Small hammer
- Feeler gauge, small file (nail type ok) and sandpaper
- Lubrication jelly packets, small WD-40, and 3-in-1 oil can
- Tire pressure gauge
- Test light with wire; also extra wires with alligator clips
- Extra fuses (should be using a fuse block on starter)
- Extra gas cap
- Light bulbs, tail & head light
- Extra spark plugs
- Knife, razor knife, hack saw blade
- Tie-down rope or bungee cord
- Straight and Philips screw drivers, 2 sizes
- Channel lock pliers
- Adjustable crescent wrench
- Open end or combination wrenches 3/8, 7/ 16, 1/2, 9/ 16, 5/8 and some smaller wrenches for those distributor and coil nuts
- Needle nose pliers
- Wire cutter or side cutter
- Spare coil and condenser
- Distributor cap, rotor, points or just a spare assembled distributor
- Rags, window cleaner, and detailer spray bottle of some sort

NOTE: You know your car and where you are going, so this is just a suggested list of items—not every car, driver, or tour would require every item on this list, but most cars should have most of this stuff!
